Aistear

When your children are in our Junior and Senior Infant classes you may hear them talking about Aistear time in school. *Aistear* is the curriculum framework for children from birth to 6 years in Ireland. It is a play-based methodology and the children in our infant classes do a lot of their learning around history, geography, science, literacy skills and number work through the Aistear framework. You can find out more information about Aistear and play here: https://ncca.ie/media/4066/tipsheet_play_parents_of_young_children.pdf Check out some photos of our infant classes enjoying Aistear time through their Houses & Homes/Three Little Pigs theme!

Junior Infant Enrolments

Enrolments for Junior Infants for September 2024 closed on October 16th, 2023. Any enrolments received now will be marked as "late applications". Our five Junior Infant classes are now full for September, and we are operating a waiting list system. If you apply now your child will be placed on the waiting list and we will contact you should a Junior Infant place become available. There is usually movement of families between now and September and we expect additional Junior Infant places will become available in the coming months.
