Parental Involvement

Our Junior Infant classes were very excited this month to invite their mums, dads, grannies, and grandads to school to make some spooky Halloween art. Thank you to our HSCL Ciara and the Junior Infant team for bringing this lovely activity to life. We plan to hold more activities across other classes as the year progresses.

Board of Management

Thank you to all the parents who put their names forward for election to the Board of Management. The following parents were elected: Sinéad Carey and Kevin Byrne.

Sinéad Nestor was voted in as teacher nominee to the Board of Management by school staff.

The new Board of Management will take up office on December the 1st for a four-year term.

Maths Week 2023

We had a very busy, Halloween themed Maths Week here in Assumption Junior School. A big thank you must go to all the school staff who were involved in setting up and running the Maths activities this week. As you will see from the photos below, great fun was had by all classes!

Collection from School

If you are sending someone that the teacher doesn't know to collect your child from school, you should notify them of this in advance. Otherwise whoever is collecting your child may be delayed if the class teacher has to phone you to confirm the identity of the person collecting. All parents should minimise early collections as this causes disruption not only for the child being collected early but also for the whole class.

Enrolments 2024/2025

Enrolments for our Junior Infant and ASD classes for the school year 2024/2025 are now closed. You may still submit a late application by email to admissions@assumptionjns.com or in hard copy to the school office. A copy of your child's birth certificate must accompany the application.
